

The Honorable Robert J. Bryan

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

UNITED STATES OF AMERICA,

Plaintiff,

v.

JAY MICHAUD,

Defendant.

No. 15-CR-05351-RJB

**MOZILLA CORPORATION'S
MOTION TO FILE
OVERLENGTH BRIEF**

**NOTE ON MOTION CALENDAR:
Wednesday, May 11, 2016**

COMES NOW, non-party Mozilla Corporation, and seeks an order for leave to file an overlength brief. Non-party Mozilla is filing a Motion to Intervene or Appear as *Amicus Curiae* in Relation to Government's Motion for Reconsideration and for Leave to Submit Filing Ex Parte and In Camera. Rather than file a Motion to Intervene and a Motion to Appear as Amicus Curaie as two separate briefs—each subject to a twelve page limit—Mozilla has combined the requests for the convenience of the Court and parties. Given the technical nature of the argument therein, and the importance of the outcome, Mozilla requires fifteen pages. Accordingly, to the extent this combined motion is deemed to be subject to the twelve page limit, Mozilla requests leave to include three additional pages.

1 Therefore, non-party Mozilla respectfully asks that the Court grant its Motion to File an
2 Overlength Brief.

3 DATED this 11th day of May, 2016.
